Title VI Policy Statement

The FSL PROGRAMS policy assures full compliance with Title VI of the Civil Rights act of 1964 and related statutes and regulations in all programs and activities. Title VI states that “no person shall on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination” under any FSL PROGRAMS sponsored program or activity. There is no distinction between the sources of funding.

FSL PROGRAMS also assures that every effort will be made to prevent discrimination through the impacts of its programs, policies and activities on minority and low-income populations. Furthermore, FSL PROGRAMS will take reasonable steps to provide meaningful access to services for persons with limited English proficiency.

When FSL PROGRAMS distributes Federal-aid funds to another entity/person, FSL PROGRAMS will ensure all subrecipients fully comply with FSL PROGRAMS Title VI Nondiscrimination Program requirements. The President has delegated the authority to Maddie Nichols, Title VI Program Coordinator, to oversee and implement FTA Title VI requirements.

Title VI Complaint Procedures

These procedures provide guidance for all complaints filed under Title VI of the Civil Rights Act of 1964, as they relate to any program or activity that is administered by FSL PROGRAMS including consultants, contractors and vendors. Intimidation or retaliation as a result of a complaint is prohibited by law. In addition to these procedures, complainants reserve the right to file a formal complaint with other State or Federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to resolve complaints at the lowest possible level.

- (1) Any person who believes he and/or she has been discriminated against on the basis of race, color, or national origin may file a Title VI complaint by completing and submitting the agency's Title VI Complaint Form.
- (2) Formal complaints must be filed within 180 calendar days of the last date of the alleged act of discrimination or the date when the alleged discrimination became known to the complainant(s), or where there has been a continuing course of conduct, the date on which the conduct was discontinued or the latest instance of the conduct.
- (3) Complaints must be in writing and signed by the complainant(s) and must include the complainant(s) name, address and phone number. The Title VI contact person will assist the complainant with documenting the issues if necessary.
- (4) Allegations received by fax or e-mail will be acknowledged and processed, once the identity of the complainant(s) and the intent to proceed with the complaint have been established. For this, the complainant is required to mail a signed, original copy of the fax or email transmittal for the complaint to be processed.
- (5) Allegations received by telephone will be reduced to writing and provided to the complainant for confirmation or revision before processing. A complaint form will be forwarded to the complainant for him/her to complete, sign and return for processing.
- (6) Once submitted FSL PROGRAMS will review the complaint form to determine jurisdiction. All complaints will receive an acknowledgement letter informing her/him whether the complaint will be investigated by FSL PROGRAMS or submitted to the State or Federal authority for guidance.
- (7) FSL PROGRAMS will notify the Title VI Coordinator of all Title VI complaints within 72 hours via telephone at: 602-262-7242; email to: phxtransiteo@phoenix.gov

- (8) FSL PROGRAMS has 60 days to investigate the complaint. If more information is needed to resolve the case, the Authority may contact the complainant. The complainant has 60 business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 30 business days, the Authority can administratively close the case. A case can be administratively closed also if the complainant no longer wishes to pursue their case.
- (9) After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a Letter of Finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. An LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member or other action will occur. If the complainant wishes to appeal the decision, she/he has 30 days after the date of the letter or the LOF to do so.
- (10) A complainant dissatisfied with FSL PROGRAMS decision may file a complaint directly with the **City of Phoenix Public Transit Department (COP)**: Attention: Title VI Coordinator, 302 N. 1st Ave., Suite 900, Phoenix, AZ 85003 or the **Federal Transit Administration (FTA)** offices of Civil Rights: Attention Title VI Program Coordinator, East Building, 5th Floor-TCR 1200 New Jersey Ave., SE Washington DC 20590

*FSL Programs
Public Participation
Plan*

FSL Programs is engaging the public in its planning and decision-making processes, as well as its marketing and outreach activities. The public will be invited to participate in the process whether through public meetings or surveys. As an agency receiving federal financial assistance, FSL Programs made the following community outreach efforts:

List all public meetings or public hearings that the agency conducts. List all publications, public announcements. Include frequency

In the upcoming year FSL Programs will make the following community outreach efforts:

At this time FSL has no public meetings or public hearings scheduled.

Public Meetings:

- (1) Public meetings are scheduled to increase the opportunity for attendance by stakeholders and the general public. This may require scheduling meetings during non-traditional business hours, holding more than one meeting at different times of the day or on different days, and checking other community activities to avoid conflicts.
- (2) When a public meeting or public hearing is focused on a planning study or program related to a specific geographic area or jurisdiction within the region, the meeting or hearing is held within that geographic area or jurisdiction.
- (3) Public meetings are held in locations accessible to people with disabilities and are located near a transit route when possible.

FSL Programs submits to the Arizona Department of Transportation annually an application for funding. Part of the annual application is a public notice, which includes a 30-day public comment period.

Limited English Proficiency Plan

FSL Programs

Limited English Proficiency Plan

FSL Programs has developed the following Limited English Proficiency Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to FSL Programs services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training to staff, notification to LEP persons that assistance is available, and information for future plan updates. In developing the plan while determining FSL Program extent of obligation to provide LEP services, FSL Programs undertook a U.S. Department of Transportation four-factor LEP analysis which considers the following:

- 1) The number or proportion of LEP persons eligible in FSL Programs service area who may be served or likely to encounter by FSL Programs activities or services;
- 2) The frequency with which LEP individuals come in contact with an FSL Programs services;
- 3) The nature and importance of the program, activities or services provided by FSL Programs to the LEP population; and
- 4) The resources available to FSL Programs and overall costs to provide LEP assistance. A brief description of these considerations is provided in the following section.

A statement in Spanish will be included in all public outreach notices. Every effort will be made to provide vital information to LEP individuals in the language requested. Translation services are provided when requested.

Safe Harbor Provision

FSL Programs complies with the Safe Harbor Provision, as evidenced by the number of documents available in the Spanish language. With respect to Title VI information, the following shall be made available in Spanish:

- (1) Title VI Notice
- (2) Complaint Procedures
- (3) Complaint Form

In addition, we will conduct our marketing (including using translated materials) in a manner that reaches LEP groups. Vital Documents include the following:

- (1) Notices of free language assistance for persons with LEP
- (2) Notice of Non-Discrimination and Reasonable Accommodation
- (3) Outreach Materials
- (4) Bus Schedules
- (5) Route Changes
- (6) Public Hearings

Non-elected Committees Membership Table

A sub recipient who selects the membership of transit-related, non-elected planning boards, advisory councils, or committees must provide a table depicting the membership of those organizations broken down by race. Subrecipients also must include a description of the efforts made to encourage participation of minorities on these boards, councils, and committees.

Table Depicting Membership of Committees, Councils, Broken Down by Race

Body	Caucasian	Latino	African American	Asian American	Native American
Population	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%
TYPE THE NAME OF THE COMMITTEE HERE	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%
TYPE THE NAME OF THE COMMITTEE HERE	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%
TYPE THE NAME OF THE COMMITTEE HERE	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%

Describe the process the agency uses to encourage the participation of minorities on such committees should be included

FSL Programs does NOT select the membership of any transit-related committees, planning boards, or advisory councils.

Title VI Equity Analysis

A sub recipient planning to acquire land to construct certain types of facilities must not discriminate on the basis of race, color, or national origin, against persons who may, as a result of the construction, be displaced from their homes or businesses. “Facilities” in this context does not include transit stations or bus shelters, but instead refers to storage facilities, maintenance facilities, and operation centers.

There are many steps involved in the planning process prior to the actual construction of a facility. It is during these planning phases that attention needs to be paid to equity and non-discrimination through equity analysis. The Title VI Equity Analysis must be done before the selection of the preferred site.

Note: Even if facility construction is financed with non-FTA funds, if the sub recipient organization receives any FTA dollars, it must comply with this requirement.

The FSL Programs has no current or anticipated plans to develop new transit facilities covered by these requirements.
