

The Seven Habits of Highly Effective Table Hosts

- **Communicating Expectations**
Hope in Motion is a fundraiser. There is no charge for the meal; however, we are asking you to prepare your guests to consider a gift to support our programs. Please remind your guests that any pledged gift can be paid over the course of a year, or even over several years with a monthly gift.

- **Complete your guest list form – Don't forget to return it on time: by March 6, 2023**
The sooner you send us your confirmed guest names, the sooner we can mail them a confirmation email complete with event details and parking information.

- **Send the Hope in Motion landing page to those who can't attend the event.**

- **Ask your guests to submit their company's matching gift form**

- **Keep reminding your guests of the event when possible!**

- **Volunteer**
Any and all help is appreciated to help with making thank you calls after the event

- **Personally thank your guests for their attendance and support of FSL's mission of helping Arizonan's live independently!**
